

"MUG TREE CHALLENGE 2008"

On Sunday 19th October we met at Little Acres Campsite to start the Mug Tree Challenge. But where were all the scouts? They couldn't find the campsite, so we started a little bit late. They were taking part in the Tin Can Challenge. We used a map to follow a route through Horton Country Park. There were 6 activities to complete, including tests of co-ordination and ingenuity. We also walked along the Hogsmill river, before arriving at the Scout Hut to do the final activity. We then had doughnuts and a drink before finding out the results.

We came 1st and also beat the scouts on points!! The other team from our unit also came 2nd!

We had a great day.

Jenny and Laura
