Welcome to Ewell Village Fair!

Dear Fairgoers

Welcome to the 2019 Ewell Village Fair!

We are delighted to welcome you to this very popular event which provides vital funds for St Mary's Parish Church. Money raised goes towards the maintenance of our beautiful Victorian building, its churchyard, and the many activities we provide. We are a parish church for the local community and are here to serve you. Thanks to the Fair and other fundraising activities we are able to support the local community of Ewell, through our work with schools, children's activities, music, our bereavement café, and much more besides. Please do take the chance to look around St Mary's while you are at the Fair today.

The Fair is a fun-filled family day out, and this year we have some new exciting activities which all the family can enjoy. Join All About Anna's Animals as they show us some of the animals with them today- some cute and fluffy, some scaly and crawly- and take your chance to pet and hold the animals. For thrill-seekers, we have Kiddi Karts where children can race around the track, and at the bouncy castle, kids can burn off some energy. There's a great variety of food and drink on sale, including a delicious St Mary the Virgin mocktail over at Tammy's, Krispy Kreme doughnuts, and ice cream. With the much-requested return of the Paladins of Chivalry, pony rides, face-painting, coconut shy, a packed programme of arena events, and much more, it's a fantastic day out for all. One of my favourite parts of the Fair is helping the Mayor judge the cake competitions (I usually get a taste!) Everyone can take part as there are different age categories- why not give it a go?

Many congratulations to the Ewell St Mary's Morris Men as the 2019 Fair marks their 40th anniversary of formation. They have been dancing at the fair and many other community events ever since. We are very grateful to the Morris Men for their ongoing support. Many thanks also to Ewell Castle School who kindly allow us to use the grounds of Glyn House for the fair, to the volunteers who make the Fair possible- and to you the fair goers! With your support I hope the great tradition of the Fair will continue for years to come!

THE CHURCH

St. Mary's is a thriving Parish Church in the heart of Ewell Village. The current church building was completed in 1848, and is a great example of the Gothic revival style. Many of the things inside the church - such as the font and chancel screen - are much older than the building, having been brought over from the older medieval church. The medieval church tower still stands in the grounds. Today, as well as our Sunday and weekday services, baptisms, weddings and funerals, we offer a range of activities from toddler groups to bell-ringing, coffee mornings to organ recitals, children's fun days to courses about the Christian faith and much more besides. We support local and international charities including the local Foodbank. The church will be open from 12.00 - 15.00 on the day of the Fair.

PHOTOGRAPHY

The parish of St Mary follows the Diocese of Guildford safeguarding policy on the taking and publishing of photographs at church events. Many people, including church photographers and journalists, take photographs at the Fair. If you attend the Fair, your consent to photographs being taken is assumed. If you take photographs, please respect the wishes of those whose pictures you take, especially if posting to Facebook or other social media.

THANK YOU!

We could not run the Fair without the support of many people. Thank you to all of them. We are grateful to the Worshipful the Mayor of Epsom & Ewell, Councillor John Beckett, for opening the Fair, and to Ewell St Mary’s Morris Men, for picking the Grand Draw winners. We would like to make special mention of Ewell Castle School for allowing us the use of Glyn House grounds, and the District Scout Service Team, the Guides and Brownies for their help and assistance.

Morris Dancing

Can it really be possible that Ewell St Mary’s Morris Men have reached their 40th Anniversary?

On the day of the Ewell Village Fair, in 1979, a group of ‘young-ish’ men had been volunteered by their families at the behest of the vicar of the day – Peter Hogben – to perform some ‘morris dancing’, as the fair was to have an ‘Olde English’ theme. They called themselves St Mary’s Morris Men. A few practice sessions had been undertaken and the performance was successful, if somewhat hilarious, as they capered and cavorted about the arena to the cheers (and ribald comments) from those that knew them.

What hadn’t been bargained for was the fact that some of these men decided to take morris dancing seriously. Those that had pushed them forward had not realised they were saying goodbye to the possibilities of DIY, odd-jobs about the house and weekend shopping when the ‘morris season’ comes around each year.

In due course the team became Ewell St Mary’s Morris Men and with the help of nearby Thames Valley Morris Men – a ‘proper’ team – they learned the intricacies of the dance, reached a high standard, and eventually became members of The Morris Ring (the international association of Morris Men).

Two of the original members are still involved. Friendships have been formed by men from many walks of life, all bound together by the social and, we have to say, slightly eccentric urge to dance in public and keep alive one of the traditions of old England.

Apart from summer mid-week dance-outs at the many excellent Surrey pubs, various tours are an absolute fixture in their calendar: dancing on Box Hill at dawn to greet the rising of the sun followed by breakfast back at Ewell in The Wheatsheaf; the St George’s Day festivities in the City of London; a trip to the Continent where they have had tomatoes thrown at them at a Boulogne market, have terrorised the Burghers of Bruges and even impeded a major cycle race in West Flanders!

Almost every event in the village is supported by the morris men – everything from ‘Ewell Yule’ to the Herald of Spring. Boxing Day is celebrated with a tour of the village pubs, finishing with the traditional Mummers’ Play at the Upper Mill; hundreds of onlookers turn out for this and many thousands of pounds have been raised for charities. The root cause of this phenomenon has never been forgotten and some of those funds have been directed towards St Mary’s, for the upkeep of the church, and the men dance each year at the Ewell Village Fair.

The fun goes on, but the very success and longevity of this group has slowly contributed to the odd worn hip and knee and Ewell St Mary’s Morris Men would welcome a few new men. Age is no barrier – although a sense of humour might be an advantage.

Practice nights during the winter are on Thursdays and a good idea of what the men get up to can be seen by visiting their website at www.ewellmorris.co.uk, or their Facebook Group; and of course, they can always be contacted by email: bagman@ewellmorris.co.uk.
This year joining Ewell St Mary’s Morris Men at the Ewell Village Fair will be:

**1st Sedgley Morris Men.** They are based in the Black Country and have always had a close affiliation with the 1st Sedgley Scouts, sharing their facilities and helping in whatever way they can. A close bond with Ewell came about when the two sides first met in Plymouth in 1985. They wear straw hats with white shirts and trousers and green, red and gold baldricks. ‘Sedgers’ are also 40 years old this year and the two teams will meet in September to celebrate that event.

**Jackstraws Morris.** Based in Farnham in Surrey, this women’s morris team wear all white with the colourful addition of green ribbons and neckerchiefs. They mostly perform dances from the Cotswold villages and are renowned for their fine performances.

**Phoenix Clog.** This team, based in Ewell, perform dances from the North West of England, wearing the traditional clogs with leather uppers which were once the normal footwear of the working people. Their colours are white shirts with a maroon sash and black breeches, or white blouses with maroon skirts.

**Pilgrim Morris Men.** Hailing from Guildford, the ‘Pilgrims’ wear black and red baldricks, white shirts and black breeches. Like most of the teams on view today, they perform dances from the Cotswold villages.

**Rampant Rooster Morris.** They come from Dorking and their emblem is the famous four toed Dorking Cockerel. They wear black breeches, white shirts and red, yellow and green baldricks for their ‘Cotswold’ dances but adopt similarly coloured ‘tatter coats’ for their Welsh ‘border’ dances.

**Spring Grove Morris Men.** In the Summer of 1977 this team was formed for a one-off performance at “An Evening of Love”: just like Ewell, they kept on dancing. They wear white trousers and shirts, straw hats decorated with flowers, and green and yellow ribbons; their baldricks are green and yellow as are the ribbons decorating the bells on their legs.

**Thames Valley Morris Men.** They are the longest established of the teams on view. They were formed in 1952 and perform dances from many of the Cotswold villages and beyond. Their colours are white shirts and trousers, with blue baldricks, and blue and yellow rosettes. They wear straw hats, decked with blue and yellow ribbon. Bell pads are also trimmed with ribbons and they wear blue waistcoats bearing a ‘tree of life’.

**Dance spots.** You will be able to watch the morris dancers at the following places throughout the village today (the times may be subject to alteration):

- The Famous Green Man – 10am.
- The Ewell Village Fair Arena – 11am.
- The Ewell Village Fair, among the stalls, 2:30pm, 3:30pm.
- Bourne Hall Park (next to the lake behind the Talbot Gate) – 12:30pm, 2:30pm, 3:30pm.
- The Wheatsheaf – 12:30pm, 5:30pm.
- The Eight Bells – 12:30pm, 2:30pm, 4:30pm.

The Bells of St. Mary’s

Here at St. Mary’s we have 8 bells, the heaviest of which weighs 12 cwt. 2 qr. 2 lb (636 kg). Some came from the old tower that still stands by Glyn House, some were new for the present church.

Learning to ring

Once gained, bell ringing is a skill for life you’ll never forget and can open up a lifetime of experiences and enjoyment.

The first stage in learning to ring is to develop the skills to 'handle' the bell. That means the technique to control the bell using the rope. This is done on a one-to-one basis. You will usually be taught each of the two movements, or 'strokes', in ringing separately, and then helped to put them together. The technique is all about holding the rope correctly, moving with it and catching the rope at the right place and time.

In bell ringing you work as part of a team, so once you can 'handle' your bell you are quickly introduced to ringing with the rest of the 'band' ofringers. The key skills learnt are the ability to watch and listen to the ringing to know when you should pull and sound your bell, and to be able to vary the pace of your ringing to fit in with the group.

The simplest thing to ring is called ‘rounds’, where we simply ring from the lightest and highest sounding bell, known as the ‘treble’ or 1, one at a time, till the heaviest and deepest sounding bell, known as the tenor or 8 (in our case, as we have 8 bells).

The next simplest thing is 'call changes' where every now and again someone calls out to change the order slightly, e.g. ‘3 to 1’ to change from 1 2 3 4 … to 1 3 2 4…. Typically this is what we ring on a Sunday morning or for a wedding.

To get the most out of bell ringing, the challenges lie in ‘change ringing’. This is when bell ringers follow a pattern called a method, where the bells change the order in which they strike each time. You'll learn about the structure of methods, how to remember them and how to move the place in the order that your bell strikes. There is often some theory and reading to do, but the other ringers will help out with advice. You will also learn additional skills such as preparing the bells for ringing and setting them safely 'down' again.

Here at St. Mary’s we practice on a Tuesday evening from 7:30 (7:00 for new learners) till 9 (and eat plenty of chocolates during the breaks!). If you are interested, or just want to take a look, please contact the Tower Captain (email towercaptain@stmarysewell.com) or phone the Parish Office on 020 8393 2643.
