

Welcome to the Advent Calendar 2025

Join the fun and take on the Advent Calendar puzzle for your chance to win some brilliant prizes!

Explore the shops and the two churches listed opposite to uncover 24 letter clues (available from 1st December). You can hunt for them all at once or dip in anytime between 1st-24th December.

When you've cracked the puzzle, drop your answer to **All Things Nice** in the High Street by **noon on Tuesday 23rd December**, or bring it to **St Mary's Church** on **24th December at 2pm**, just before the prize draw.

The winners will be announced at **2pm on Christmas Eve** at St Mary's, at the start of the Crib Service '*The Story of Christmas*'. (The Family Service for all ages, '*Arrival at Bethlehem*', follows at 4pm.)

With thanks to: **1st Ewell Village (St Mary's) Brownies** for creating the numbers, **Alpine Works** for the lighting and Christmas trees, and **Greenfield Estate Agents** for printing.

Prizes kindly donated by:

Bouquets by Lee (BBL), Campbell & Co Hair, Mandalina, The Dance Boutique, The Style Closet and V-Fit.

Good luck!

EWELL YULE on 5th DECEMBER FROM 4PM TO 8.00PM

Enjoy a festive evening in Ewell Village! Thanks to Epsom & Ewell Borough Council, parking in Cheam Road car parks is FREE from 4pm and the High Street will be closed (with buses diverted) from 4pm-10pm for everyone's safety and enjoyment.

The village will come alive with late-night shopping, festive food and drink, market stalls, children's rides and plenty of seasonal cheer. Visit Santa at Greenfield Estate Agents, enjoy Christmas Carols and watch performances by St Mary's Ewell Morris Men and Phoenix Clogg. The event will be opened by our MP, with the Mayor and Mayoress joining in the celebrations.

St Mary's Church will be open too, with carols playing and a fun Mouse Trail for all ages.

And don't forget—on 24th December at 2pm, St Mary's Crib Service will include the Advent Calendar Puzzle prize draw, with prizes handed out at the start of the service. (A Family Service for all ages follows at 4pm.)
